Closing Date
Oct 21, 2025

(*) Both the Previous and the Remaining Installment Balance categories only include principal amounts (not fees) and have been calculated after the applicable monthly installment payment amounts were added to your monthly Minimum Amount Due. Your Remaining Installment Balance is not due this month. It is being shown to let you know how much of your principal balance remains to be paid by future installments. Each month, the applicable monthly installment amounts (principal and fee) will be payable as part of your monthly Minimum Due amount. To learn more about Plan It, please view the program Terms and Conditions or Cardmember Agreement.

- You may cancel any or all installment plan(s) at any time through your Online Services account or by calling the number on this statement. Once you cancel a plan, any remaining balances from that plan will appear on your next billing statement and interest will accrue in accordance with your information box and disclosure statement.

- If you cancel an installment plan, any monthly installment amounts that appear on your current statement (if applicable) as part of the minimum amount due must still be paid by the payment due date to keep your account in good standing.

Please pay your account on time. If you do not pay at least the Minimum Amount Due by the date of your next billing statement, the Installment Program will be revoked and all balances that were participating in the Installment Program will be subject to interest charges in accordance with the information box and disclosure statement

Opening Date
Sep 22, 2025

Closing Date
Oct 21, 2025

About Your Statement

Payment Period Remaining - This is an estimate of the time it will take for you to pay off the New Balance shown on this statement if you make no additional charges using this Card and each month you pay the Minimum Amount Due only. For additional information including the way we determine the estimate, please visit americanexpress.ca/paymentperiod.

Minimum Payment - The Minimum Payment is the lesser of (1) or (2), calculated as follows:

(1) the total of: (a) any previously billed minimum payment that remains unpaid on the Closing Date of the statement + (b) if applicable, installment amounts (including installment fees) charged on the billing statement **PLUS** (for non-Quebec residents): (c) **\$10** + (d) Interest, Overlimit fees and Dishonoured Payment fees; or (for Quebec residents whose accounts were opened on or after **August 1, 2019**): (c) **5%** of the remaining balance owing that month. (for Quebec residents whose accounts were opened prior to **August 1, 2019**): (c) **2%** for the statements dated on or after **April 1, 2020**, and the following percentages apply for statements dated on or after the following dates: **August 1, 2020 - 2.5%; August 1, 2021 - 3%; August 1, 2022 - 3.5%; August 1, 2023 - 4%; August 1, 2024 - 4.5%; August 1, 2025 - 5%**. **OR**
(2) the entire new balance of the billing statement. If your primary address changes to or from Quebec, the applicable minimum due calculation will take effect on your next statement.

Transaction / Posting Date - If the transaction date is not available, the posting date will be used as the transaction date and will be shown with an asterisk (*).

Charges Made in Foreign Currencies - All foreign currency charges and refunds have been converted into Canadian dollars by our affiliate on the date we processed the charge or refund. Unless your charge or refund was in U.S. dollars, it has been converted through U.S. dollars, by converting the charge or refund amount into U.S. dollars and then by converting that U.S. dollar amount into Canadian dollars. Unless required by law or used by custom, conversion rates are based on interbank rates selected from customary industry sources on the weekday prior to the processing date (except January 1 and December 25), which we increase by a single conversion commission of 2.5%. Any conversion commission we apply to the original charge will not be returned on a refund. Charges converted by third parties prior to being submitted to us have been at rates selected by them.

Interest - You may pay the entire New Balance of your account at any time. Interest is calculated daily and is charged to your account on the last day of the billing period. Interest on a purchase applies from and including the transaction date or from and including the first day of the billing period in which the purchase is first charged to your account, if that date is later, until the day we receive payment in FULL. However, there is a grace period of 21 days on new purchases (for residents of Quebec, this applies to all purchases) from the Closing Date on your statement if we receive payment in FULL by the Payment Due Date and if we do not, up to 25 days for new purchases on your next statement. Interest will be charged on any previous balances during this period, subject to any interest-free grace period that may still apply. There is no interest-free grace period for funds advances, Amex cheques and balance transfers if offered. Please refer to your Cardmember Agreement, Information Box and Disclosure Statement for a detailed explanation of the calculation and application of interest charges.

Interest Rates - Please see About Your Interest Rates for information on the rates that applied during this period.

Credit Advances - This subtotal includes funds advances, Amex cheques and balance transfers.

Billing Errors - If you have a complaint, problem or dispute with this statement or any charge on it, contact us immediately but in any event within 21 days of the Closing Date of this statement. Otherwise, this statement will be considered accurate except for any amount which has been improperly credited to the account and you may not later make a claim against us in respect of any item on this statement. Subject to the Cardmember Agreement, if you contact us as required, we will take all reasonable and appropriate steps to provide the information you request or attempt to resolve the dispute.

Payments - Payments may be made using the Electronic Payment Program from American Express by Pre-authorized Payment Plan, Pay by Phone, Pay by Online Services or Pay by Voice Response and is subject to the terms, conditions and restrictions in the Electronic Payment Program Agreement. The Pre-authorized Payment Plan is available for future statements only unless the front page of this statement indicates you are already enrolled. Subject to the Electronic Payment Program Agreement and availability of the services, you can request a same day payment prior to 8pm Eastern Time or schedule a future payment from your Canadian dollar deposit account. However, we may be unable to process any payments you intend to schedule immediately following enrolment, as we require sufficient processing time to register you into the Electronic Payment Program. To enroll, login to Online Services or call the customer service number on this statement for Pay by Phone or Pay by Voice Response. For details visit americanexpress.ca/paymentmethods. We reserve the right without notice to restrict or cancel availability of the Electronic Payment Program, limit the number or frequency of payments or restrict scheduling a future payment within a certain time period or if the account is past due. Payments may be made using telephone or internet banking facilities through participating financial institutions, at a branch or ATM. Check with your institution for processing delays. Payments will be sent by your financial institution to us within 3 to 5 business days and your account will not be credited until we receive a payment. It is your responsibility to make payment arrangements and ensure that sufficient funds are available in the deposit account. We will reverse a payment if it is returned or dishonoured for any reason and a dishonoured payment fee will apply.

Recurring Charges - We update your card information with participating recurring billing merchants. Details at americanexpress.ca/recurringcharges. Call us about your choices.
